* Games are timed (one minute 30 seconds between ends).

* 8-end games. Draw doesn't exsist, an extra end is played.
* For win team gets 1 point, for loss - 0 point.

* Pratice time in playoff - 6 minutes.
* The first team in the Schedule practices first and plays red stones.
* After round robin all teams are ranked in the group by 1) win/loss 2) head to head result 3) DSC (the single least favourable result is automatically eliminated).
* The best team from teams ranked number 1 in the groups (the determining indicator is average DSC) is automatically in the semi-final. All the rest teams ranked number 1, number 2 and the best team ranked number 3 in the group play quarter-final. The other teams play games for the 8th, 10th, 12th and 14th place.
* Throughout all playoff games the higher ranked team in their respective group will have first choice for either stone placement in the first end or stone colour. In case of equally ranked teams facing off, the team with the better DSC will have the first choice.

Coaches

* Teams can communicate with their coach or any other team official during between end break. Coaches, please respect the game on the first sheet if you are going to the second sheet.
* The teams are able to use time-outs and between end breaks (1minute 30 seconds) to talk to their coaches. Coaches can choose:

- sit at the end of curling sheet in arena
- sit inside and walk to the team when time-out is called (as coaches have to go along first sheet to reach the second sheet, please respect if player's shot is in process on the first sheet)
- inside there is a TV screen with all four ends of the sheets. You are feel free to record it if it is necessary.
